

Torquay United Women FC

Commercial Opportunities 2022/23

Following last season's historical milestone, as Torquay United Women FC secured the ClickHub Devon Premier Cup Champions for the first time in their history, we are proud to release details regarding our exciting commercial opportunities for 2022/23.

With the Covid-19 pandemic curtailing the team's development over the previous two campaigns, securing the Devon Premier Cup was a remarkable achievement, however, this is just the start, and we are now looking to build on this.

By being proactive and embracing new change - on and off the pitch - we believe this will take us forward to the next level, with the focus on the Club becoming a National League team for the first time in our history in 2022/23.

As we begin a new era as an established Football Club alongside the main club at Torquay United AFC, this ongoing partnership brings the pedigree and history of TUAFC and connects us together, as **#OneClub #OneCommunity**.

We now need to strive to make Torquay United Women FC the destination for success on and off the pitch for female footballers in Devon. That journey starts here, in 2022/23. We thank those that are currently on board, and we look forward to welcoming new partners who share our ambition.

With a prestigious new home pitch confirmed for 2022/23 season at Coach Road, home of the Devon FA, we are looking to continue the momentum from last season, cannot wait to give all of the Yellow Army a season to be proud of!

Heading into the new campaign, and with that momentum growing on and off the pitch, we are excited to have launched our new 'Friends of TUWFC' initiative in conjunction with TUAFC, in addition to some new and most popular sponsorship schemes for supporters of the club to get behind this season.
